Commissioner for Patents
PO Box 1450
Alexandria, VA 22313-1450

Sir :

Applicant respectfully requests the re-mailing of the pending Office Action and a resetting of the period for response in the present application. The Office Action mailed on June 18, 2003 was in fact an Office Action for Application No. 09/977,698, not for the present application. Applicant's representative noticed the error and contacted Examiner Dixon about the error. The Examiner agreed to issue a correct Office Action and to reset the period for response. The mailed Office Action was faxed to Examiner Dixon on July 9, 2003. Therefore, Applicant respectfully requests the re-mailing of the Office Action to the present application and the re-setting of the three month shortened statutory response time on the mailing of the correct Office Action.
